SEEING YOUR LIFE THROUGH THE LENS OF THE GOSPELS Matthew 5:17-37

1. In this section of the Sermon on the Mount Jesus proposes standards that go beyond external ways of behaviour. He challenges our inner attitudes. When have you found that living out of inner conviction is more life-giving than keeping up appearances?
2. Jesus applies his teaching to feelings of anger and sexual desire. He suggests that if we do not keep an eye on our feelings and thoughts we will not be able to control our actions. Perhaps you have experienced the truth of this. What has helped you to integrate your feelings so that you were able to live in right relationship with yourself and others?
3. For Jesus, persons with genuine authenticity do not need to swear an oath to be convincing. Their 'yes' or 'no' suffices. Recall people who had this kind of credibility for you. When have you found that your simple, direct and honest communication had a positive persuasive force?

Nusa Kambangan is a 250 square kilometre prison island off Indonesia's southern coast. Although designated a wildlife sanctuary, illegal logging has stripped away much of the island's tropical forest, damaged the eco-system and led to the loss of many wildlife species. Concern for the island's ecology and the plight of 300 illegal farmers and their families, about to be expelled from the island, led Fr Charlie Burrows and YSBS, the organisation he founded, to seek government approval for a reforestation program and the eventual restoration of the island's indigenous wildlife.
