Those we love don't go away.
They walk beside us everyday.

Still loved, still missed

Be yourself

Often we want to be somewhere other than where we are, or even to be someone other than who we are. We tend to compare ourselves constantly with others and wonder why we are not as rich, as intelligent, as simple, as generous, or as saintly as they are. Such comparisons make us feel guilty, ashamed, or jealous. It is very important to realize that our vocation is hidden in where we are and who we are. We are unique human beings, each with a call to realize in life what nobody else can, and to realize it in the concrete context of the here and now.

We will never find our vocations by trying to figure out whether we are better or worse than others. We are good enough to do what we are called to do. Be yourself!

This is our Jubilee year – 50 years

Our banners, the first outside the Church highlights the fact that this year O.L.W Church celebrates, its Golden Jubilee (1967-2017), the second, on the Sanctuary , is a beautiful banner displaying an image of Our Lady of the Wayside.

Our celebration will be a Mass of Thanksgiving in early Autumn for the blessings the Lord has given our faith community during the last 50 years . Besides the Mass our PPC are working on preparing displays of significant moments in the life of the parish. If you have any photographs, mementos or news items from the past which you would like included in the display, please contact any member of the PPC. More about our Jubilee celebrations later.

When God solves your problems, you have faith in His abilities; when God doesn't solve your problems, He has faith in your abilities.

"Marcelino" showing at 8.00 p.m. on Saturday 1st July in The Legion of Mary House, (279) Sarsfield Road, Ballyfermot.

Young orphan Marcelino (Pablito Calvo) lives in a monastery. One day after sneaking into the forbidden attic, he finds a life-size crucifix. Frightened at first, he then believes the figure on the cross is alive and suffering, and brings it food. The figure speaks and thanks the child. When Marcelino brings food again later, the voice tells him that he can have anything he wishes -- and Marcelino asks to see his mother.
