## **The Bluebell Environmental Group**

Huge thanks to all who helped on Saturday 27th as part of the Dublin Clean Up day in Bluebell. We covered the Canal from Kylemore Rd bridge to the Black Horse bridge. We also did a number of roads in Bluebell and also had a group in Camac Park. We collected over 75 bags of rubbish including 2 Hoovers and a Microwave!!!!. A great achievement but also a little frustrating that people still believe it is ok to dump their rubbish around Bluebell.

Let's change the mind set and together we can and will make Bluebell Greener and Cleaner.

Follow us on Facebook or keep an eye out for our posters for the next clean up. The more people who come out the more we can do.

Together we are making Bluebell Cleaner and Greener

Life is a mystery to be lived , not a problem to be solved.
