A word of welcome!

Dear Parishioners!

In the very beginning of this new step of the life of our Parish let me say a word of welcome to all of you.

As a newly appointed parish priest, my first task is to serve our Community and cooperate with Father Leo Philomin OMI, who became the moderator of the whole pastoral area of Inchicore, Bluebell and St Michael's.

Our intention is simple: to be close to all people who live in our surroundings. To do so, we pray every day in our Oblate community for our and your intentions.

In the beginning of the new school year, we should all together, pray for the children and youth from our parish. Some of them will start their preparation for Holy Communion and Confirmation. May God help them, their families and us with that.

Our Lady of the Wayside, pray for us!

Fr Dominick Zwierzychowski OMI

“National Concert”

You must put this date in your diary; the 17th September 2019 at 10am in the National Concert hall. There will be a performance of music, song and story based on some of the work of our project (Bluebell CDP) followed by breakfast. Please note this is a free event.

A world premiere of new music for orchestra. Written, performed and inspired by the lives of members of Bluebell Breakfast Club with Seán Millar, orchestrated by Daragh O'Toole and performed by the RTÉ Symphony Orchestra conducted by Andrew Synnott.

Bluebell Community Development Project have hosted a weekly breakfast for residents of Bluebell Estate every Friday for the past four years, it's an amazing and generous gathering that connects people right across their community. This year as part of The National Neighbourhood, members of the Breakfast Club have collaborated with songwriter and musician Seán Millar to musically explore life here. Join us on a journey to uncover the pleasure, joy and difficulties of life, and a celebration of the richness of lives fully lived.

Sunday meditation

Dear Friends!

To become a disciple of Jesus is actually a long process. It's a lifelong journey. We learn so many things along this way: we're growing in knowledge, understanding, and experience.

This Sunday Jesus says: "Whoever does not carry his own cross and come after me, cannot be my disciple."

Sometimes we see our daily problems as a burden without any reason.

But what if the cross in your life is after all one big step forward on this path to become even a better disciple of the Lord?
